**Additional Information: (Please type your responses on separate sheets of paper and attach them.)**

1. Please *describe* the Discipleship Program you are using to help the members of your congregation ask, and be able to respond to, the question: “What percentage of my household income am I giving to the Lord?”
2. Please *describe* how you are training and equipping the members of your congregation to be Christ’s witnesses within their respective vocations?

3. Please ***describe*** the events your congregation has organized, hosted and/or promoted since the last report that have been specifically planned with the unreached person in mind? Please evaluate each of these events.
4. What outreach resources (e.g. booklets, CDs, pamphlets, DVDs, on-line resources) are you providing to your members as they witness to family, friends, neighbours, coworkers, and the like? What online resources have you shared with them that might be used by them as they witness to family, friends, neighbours, coworkers, and the like?
5. What strategic directions/goals has your congregation formulated ***in terms of evangelizing the spiritually lost people of your community***? What have you, as a pastor and as a congregation, been doing since the last report (or planning on doing) in order to fulfill these goals?
6. What outreach opportunities/challenges do you currently face? How might we (i.e. the Department of Outreach, the other Departments of the District, and Executive District Staff) help you?
7. Briefly describe your outreach plans for next year.
